Help Improve Arlington Heights

Planning Begins on Enhancing the Arlington Heights Business District

Do you live, work, eat or shop in Arlington Heights? Are you interested in helping to make Arlington Heights more vibrant? The Town of Arlington, the Arlington Chamber of Commerce and Support Arlington Heights (SAH), a citizens group, invite the public to start planning ways to improve Arlington Heights for residents, business and property owners, and visitors. On July 28, 2016, the Town of Arlington and SAH will host an interactive public meeting at 7:00 p.m. in the Dallin School cafeteria. This event will kick-off improvement efforts by reviewing challenges facing the Heights business district, sharing the results of SAH's recent Business Preference Survey, and discussing what new businesses, infrastructure improvements, and amenities people want to see along Mass. Ave. in the Heights. The Town and SAH will host a second public forum in the fall to provide an opportunity to develop a broader vision for the Arlington Heights neighborhood.
